CLASSROOM SPOTLIGHT:
Mrs. Fisher—Art, P09

Greetings from the Art Room! Mrs. Fisher has really enjoyed the teaching space in Portable 9, and so have Boyd students! Working in our art studio has been a wonderful experience- being able to have access to our materials, resources, and tools. We have accomplished more this year than in years’ past, and students have been working hard on their portfolio collection to take home as the end of the year approaches. Each grade level has a theme, but the overall “big idea” for elementary art is “Identity.” Students each year explore many geographic locations, cultures, art history, traditions, artists, styles, and media.

As summer nears, many families are looking for fun, creative activities. There are many opportunities throughout the Omaha area that offer art fun for all ages. A great resource is this website “Family Fun in Omaha”: http://familyfuninomaha.com/list/omaha-kids-art-classes-and-programs/ Also, don’t forget that Joslyn Art Museum has FREE admission daily (closed on Mondays). Joslyn has a brand new, 1,500 sq. ft. interactive art space that is fun for all ages to explore! You might even run into Mrs. Fisher there! Happy Art-making to you, and Go Beavers!

SMENCIL SALES, APRIL 10 & 17 8:30-9:00 A.M.

Make Sure Your Child is in School on Testing Days!

March 31-April 17 students in grades 3rd-6th will be participating in NeSA tests. How can you help? Make sure your child is in school each day and on time. Most of the testing will start first thing in the morning. If possible, schedule doctor’s visits or trips to the dentist/orthodontist before school, after school or later in the day. See that your child gets a good night’s sleep by making sure they go to bed early, enough for 8-10 hours of uninterrupted sleep. Encourage your child to eat a healthy breakfast. These simple things can help your child do his or her best on the test!
READ ALOUD VOLUNTEERS NEEDED!

Boyd Elementary is looking for adult volunteers for all grade levels!
