CLASSROOM SPOTLIGHT:

MRS. WELLENDORF, ROOM 16
ALTERNATIVE CURRICULUM PROGRAM (ACP)

Hello Boyd Beavers!

Thank you to all the families who were able to join us for Family Literacy Night. It is always wonderful to see the efforts made by Boyd families to help their children understand the importance of education. Your hard work and dedication provides a strong foundation for your children to build on.

The ACP Intermediate students are well aware of the importance of learning. Each day we come to school ready to learn. In our classroom we learn about reading, writing, spelling, math, social studies and much more.

Each morning we go to homeroom with our friends. Mrs. Quedensley, Ms. Henderson, Mrs. Farrington and their students are always welcoming and ready to help. In these classes we do bell work, listen to morning announcements and recite the Pledge of Allegiance. We really enjoy all the time we get to spend with our friends. Throughout the week, we also are able to attend specials with these classes. These specials include Music, P.E. and Art classes. So thank you to our homerooms for making each day special, you truly are the best!

As you can see, we are all working together toward a strong and lasting education. We can help and encourage each other always to do our best and strive for more.

So from our den to yours, work hard and “Go Beavers!”

Education is what remains after one has forgotten what one has learned in school.
~Albert Einstein
Launch Leadership Opportunity

Launch promotes leadership development for junior high and high school students. Launch is excited to offer our JAM MLK Leadership Retreat. This is a new JAM Leadership Retreat that will promote and focus on service learning and community leadership. Delegates will participate in a culminating service learning project after doing some hands on activities that explore volunteerism and service learning. Here are some details:

Who: Open to students 5th-8th grade who want to continue to strengthen their leadership skills and get involved in their community

When: January 31, 2015, 9:00-3:30 tentatively

Where: University of Nebraska-Omaha

Cost: $15 (Cost pays for lunch, a Leadership Guide, and materials for the day.) Transportation is not provided. Parents are responsible for transporting their child.

February is National Children’s Dental Health month and time for Give Kids a Smile, sponsored by Creighton University School of Dentistry. This opportunity is available for uninsured children ages 3 to 14 years old. Children receive a free exam, x-rays, cleaning, fluoride and dental sealants.

The event will be held at Creighton University School of Dentistry located at 2802 Webster Street on Saturday, February 7, 2015 from 8 am to 12 pm. Appointments are required and can be made by calling 402-280-2863.
