CLASSROOM SPOTLIGHT:

MRS. BEMIS, Kindergarten, Rm. 9

Mrs. Bemis’ Kindergarten classroom has been very busy this year! We are counting down the days for Spring to begin! Our class is excited for warmer weather too!

In Reading we are learning how to distinguish beginning, middle and ending sounds. Also, we are learning how to rhyme. There are many ways you can help your child learn how to rhyme. One great way to practice rhyming with your child is to read rhyming stories such as Dr. Seuss or Nursery Rhymes. Have your child find words that rhyme in the story.

In Math class we have been working on Addition, Subtraction, and 2-dimensional shapes. Your child has been working on solving Addition and Subtraction sentences with pictures. We will begin to explore the weather and sky in Science and Economics in Social Studies.

Next month we will be getting ready for our field trip to the Rose Theater to see the play, The Reluctant Dragon. If your child has not turned in their permission slip, please turn it in as soon as you can.

Omaha Public Schools
Early Childhood Program Application Days
