Thank you from the desk of the Big Tooth,

As we close the 2013/14 school year, we reflect on the many joys and successes that this past school year has brought. Thank you to the staff here at Boyd Elementary School for your dedication and support for all of our students. Your dedication is demonstrated in the perseverance you demonstrate in working in large group, small group and one on one with the students you serve. We will miss those who are leaving through retirement or other commitments, yet we wish them all the best:

Mrs. Shultz—media specialist is retiring to spend time with her family including three young grandchildren.

Mrs. Streeter—3rd grade teacher is moving to Papillion/LaVista school district to be closer to home and with her children’s school calendar.

Mrs. Housh—2nd grade teacher is retiring to spend time with her grandchildren.

Miss Heater—1st grade teacher, is moving to the Millard district to teach 6th grade reading.

Mrs. Warner—Intermediate ACP para, is retiring to spend time traveling and visiting children and grandchildren who live in another state.

Mrs. Drake—cafeteria staff member, is moving to Mississippi to spend time with her father.

Thank you to our PTA parents for your organization of various school activities and fundraising for trips and school and classroom enhancements. It is a pleasure to have such a committed group of parents who come together to plan for engagement of families in our school.

Thank you most of all to our students who have worked very hard this year to learn the skills and develop the attitudes toward learning that lead to future success. Read and play this summer as you sharpen your minds and bodies. We are very proud of you all. We wish for you a safe and healthy summer and look forward to seeing you next year.

Mrs. Adams,
Principal
FROM THE NURSE

Parents – the end of the school year is rapidly approaching. If your child has medication at school, please note that you will have to pick it up or arrange to have another adult pick it up on the last day of school. **OPS medication policy states that no medications will be sent home with students** and this applies to inhalers and over-the-counter medicine as well as prescription medicine. If your child will be here for summer school, the medication will be given through June and you will pick it up at the end of summer school. **Any medication that is not picked up at the end of the year will be disposed of.** New doctor orders and parent permission will be needed for medication at school next year. Paperwork for your child to have medication at school next year will be sent home with your child’s report card. Please contact the school health office if you have any questions.
