CLASSROOM SPOTLIGHT:

MRS. PRENTIS, ROOM 12, ALTERNATIVE CURRICULUM PROGRAM

Room 12 has had a great first quarter this school year! We have a great group of students who are learning and keep practicing our procedures and routines. Mrs. Tara Bell and Ms. Breyonna White are working in our classroom again this year as our paraprofessionals. They work hard each and every day!

We have lots of exciting events planned for this year such as Young Athletes activities and community outings. We just completed a community involvement day with some high school students from Skutt, and we will also be going to Pizza Hut this month. We truly enjoy being involved with our friends from other classes and other schools; especially our 6th grade buddies from Mrs. Farrington’s class doing activities such as art projects, playing games, practicing for Young Athletes, and working on social skills.

Come visit us any time and see the wonderful things we are doing and learning at school. We would love to practice our greetings and farewells or our manners with you and show you all of the things we are learning! We also welcome you to read to us or help us practice our daily skills.

Reminder: Parent-Teacher Conferences coming on Thursday, October 23, 2014.

Donations Please!

The Health Office keeps a very basic supply of clothing to loan to our students. Spills, outside puddles, wet slides, illness, or accidents of assorted types may result in the need for a fresh change of clothing. We are currently running low on our supply – especially sizes 6 to 8. Elastic-waist pants are especially appreciated because they can fit a range of sizes. Kids of all ages have a need for clothing from time to time, so if you are cleaning out closets, drawers or have access to an extra supply, we would appreciate any donations. Our closet includes new underwear and socks, and gently-used pants, shirts, and shoes. Thank you so much!

REMINDER!

AS STATED IN THE SCHOOL HANDBOOK:

There are two parties during the school year. They are held on Oct. 31 and Feb. 14. The PTA organizes these parties.

No treats are permitted to be brought from home by students. Only nonfood items such as pencils, erasers, etc. should be brought to celebrate as food items take time from instruction and may trigger allergic reactions. If a student wants to contribute something to the school in honor of his/her birthday, a Book Club has been established for the Media Center. The student’s name is recorded in the new library book for their contribution to the school’s collection.

Reminder: In the morning, all students enter the northwest door for breakfast (gym door). The school doors open at 8:40 a.m. daily for breakfast. Please be aware of the time your student is arriving to school, and adjust as needed. Supervision is not provided for students arriving prior to 8:40 a.m. unless they are enrolled in Kids Club.

CALLING ALL DADS (or special guest!)

Boyd's first Donuts for Dad event is next Wednesday, Oct. 22, 2014 at 9:15. Please check your calendar to see if you can attend this special event just for dads or special guests. Reservation forms were sent home with your student. Please be sure to check their backpacks. Your response is important to determine how much food we need for the event. Dads bring a special significance to a child’s world. At Boyd, we appreciate that significance & hope to see you there!
