CLASSROOM SPOTLIGHT:
ACP Primary, Mrs. Prentis - Room 12

Room 12 is off to a great start this school year! We have a great group of students who are learning our procedures and routines. Mr. Anthony Jones is working in our classroom again this year. He joined us last February and does a great job working with the students! We also welcome Mrs. Tara Bell who is working both as our paraprofessional and as Director of Boyd's Kids Club. She comes to us with a degree in Early Childhood Education.

We have lots of exciting events planned for this year such as Young Athletes activities and community outings. We just completed a community involvement day with some high school students from Skutt, and we will also be going to Vala’s Pumpkin Patch. We truly enjoy being involved with our friends from other classes and other schools; especially our 6th grade buddies from Mrs. Farrington’s class doing activities such as art projects, playing games, practicing for Young Athletes, and working on social skills.

Come visit us any time and see the wonderful things we are doing and learning at school. We would love to practice our greetings and farewells or our manners with you and show you all of the things we are learning! We also welcome you to read to us or help us practice our daily skills.

Did you know that your student's success in school is connected to your involvement in school activities? **Involved parents = better students = higher educational achievement.** Coming to Parent-Teacher Conferences on Oct. 23 from 4:15-7:45 & Oct. 24 from 1:00-8:00 as well as participating in one or two school activities is all it takes to get your child more engaged in school. Get hands-on with your kids and see how they take off in school.
GIRLS BASKETBALL
TRY-OUTS HAVE BEEN RESCHEDULED
