CLASSROOM SPOTLIGHT:
Mrs. Wellendorf, Room 16

Time is flying by as we are beginning our second semester! Room 16 has jumped right into 2016 ready to learn. To help us with that, we want to welcome our new Paraprofessional, Mr. Cosgrove. Mr. Cosgrove has extensive experience working in OPS as well as experience working with special needs children and adults. He is a great asset to our classroom as well as our school.

This year ACP Intermediate has a large focus on good behaviors, communication and social skills. Every day we do our best to follow directions, complete our work, and treat others with respect.

We begin our day by spending time in homeroom with our peers, then return to our classroom for reading, math, spelling and social studies, and language arts.

To top it all off, twice a week, Mrs. Farrington’s sixth grade students come to our classroom to work on reading and social skills. We play games, utilize the computers, engage in gross motor activities, and participate in creative reading activities.

Another great part of our curriculum is community outings. Students are expected to use social skills to engage with others in the community. We have visited the library, Vala’s Pumpkin Patch, Lauritzen Gardens, and are looking forward to more adventures in the spring.

Here is to another great semester at Boyd Elementary!
