Dear Boyd beaver families,

I can't believe the Thanksgiving holiday is already upon us. It's my hope you enjoy your family and friends at this time. I also encourage you to give pause to all of which you are thankful for. As I reflect I am thankful for the little things like French fries, a coffee with friends, and a sixty degree day in November! And of course there are the big things for which that I'm forever grateful. Those include my family, health, the smiles of the students at Boyd, a dedicated and determined staff, and the family and community support we receive each day.

Happy Thanksgiving!

Mrs. Larsen
Boyd Elementary Principal

BOYD BEAVERS
