## **CLASSROOM SPOTLIGHT:**

### **Mr. Frahm ~ Music**

Music is a place that students can come to and do something a little different than what they normally do. Lots of laughs, lots of singing, and lots of movement. Music is learned in a very sequential order starting from concepts such as fast and slow, high and low, and loud and soft in kindergarten to identifying several kinds of music and using solfège syllables to sing different songs. Each grade is learning different concepts, each one harder than the last.

Here is what each grade is doing this quarter. Kindergarten is starting on learning how to read rhythms. First grade is learning a new solfège syllable. Second grade is learning new rhythms. Third grade is learning a new rhythm and how to identify different styles of music. 4th grade is learning new styles of music and reinforcing past rhythms. Finally, fifth grade is learning a new solfège syllable and reinforcing past rhythms.

There are many things going on in music and I hope your students are talking about it!

**5TH GRADE RECOGNITION**

**TUESDAY, MAY 21, 2019**

**2:00 PM**

**DETAILS TO FOLLOW**

# State Testing

NEVER EVER  
**EVER**  
GIVE UP!

Make sure your child is in school on testing days!

March 25-April 17 students in grades 3rd-5th will be participating in NSCAS (formerly NeSA) tests. How can you help? **Make sure your child is in school each day and on time.** Most of the testing will start first thing in the morning. If possible, **schedule doctor's visits or trips to the dentist/orthodontist before school, after school or later in the day.** See that your child gets a good night's sleep by making sure they go to bed early, enough for 8-10 hours of uninterrupted sleep. Encourage your child to eat a healthy breakfast. These simple things can help your child do his or her best on the test!

Thank you for encouraging your child to do their best and to think of the NSCAS as a way to show off all they know.

**GO BEAVERS!**

**Warm Heart Wednesdays!**

**Student: Patrick Bral**

**Nominated by: Miss Baumann 3/27/19**

**Patrick does a great job greeting his friends and adults with a big smile! He also asks politely for things he wants in the classroom!**

**Thank you for using your words for helping Patrick!**

EVERY STUDENT CAN  
**LEARN**  
*just not on the same day*  
OR IN THE SAME WAY. 🍎

# Movie Night

FRIDAY APRIL 5, 2019
