Friendly Reminders

Dismissal:
We understand that life happens and there may be a time when a last-minute change in dismissal plans for your student(s) is necessary. We kindly ask that the school be notified as soon as possible of these changes, preferably before 3:00 p.m. The closer to dismissal time you call, the more difficult it is to successfully communicate those messages to the teacher(s) and the student(s).

Speaking with teachers:
Parents and families are always welcome at Boyd, but please be aware that visits to the classroom or requests to speak with a teacher cannot be accommodated without prior arrangements. We love having visitors for lunch anytime, but please help us protect the instruction time of all our students and the full schedule teachers have each day by scheduling a visit to the classroom in advance. Conferences are a great time to speak with your student’s teacher and email is always an option to communicate your questions or concerns regarding your student. Boyd encourages communication with parents and teachers are always happy to speak with you when time allows for them to give you their full attention.
Warm Heart Wednesdays!

Student: Jeramia Ryley
Nominated by: Mrs. Hollendieck  02/07/18

I was on the playground at recess watching the students play soccer. I was not aware that there was a stray ball behind me and that the ball was about to hit me in the back of the head. Jeramia saw that the ball was going to hit me and ran behind me to stop the ball. After stopping the ball, he started walking off and wasn’t expecting anything for his good deed. He is a perfect example of what it means to use your hands and words for helping!
Thank you Jeramia!
