Classroom spotlight:
Mrs. Phillips, 2nd Grade, Room 19

Hello from Mrs. Phillips’ 2nd grade class! Second graders have had a busy start to the month of March. In math, we are learning how to measure objects in inches and feet. We are excited to learn how to use rulers to make measurements. Second graders have also been working on Rocket Math to help with addition facts. Students are working hard to reach their goals! In writing, we are composing friendly letters. Students are learning about the 5 parts of a letter and how to address envelopes. We have enjoyed writing letters and receiving letters from other classmates. In science, we learned about Earth’s weather and how it impacts our daily lives. We are getting very excited about our first field trip to the Strategic Air Command and Aerospace Museum. Students are excited to learn more about space!

Go Beavers!

Notice!
If you would like to request a specific teacher for your student(s) next year, please send an email to Mrs. Larsen no later than Friday, April 6, 2018.
Briana.mcleod-larsen@ops.org
Thank you!
Warm Heart Wednesdays!

Student: Andrew Conklin
Nominated by: Ms. Wheeler 03/08/18

I am nominating Andy because every time I see him, he greets me with a warm hello and says “Hello Ms. Wheeler, how are you?” He is always polite, respectful, and kind to everyone he encounters. Andy certainly uses his hands and words for helping.
Spirit Night
Boyd Elementary
Thursday, March 22, 2018 • 3:00pm – 9:00pm

Join us for food and fun! Come support Boyd Elementary school and 15% of tonight’s sales will be donated accordingly.
