Classroom Spotlight:
Mrs. Kucera, Portable 6, Pre-K

In Early Childhood, we believe that every child is
unique, diverse, and gifted with the capacity to learn. At
Boyd, learning is motivating and fun! The Pre-K students
in P06 are moving ahead full speed as they learn and
interact with one another. Social-emotional and aca-
demic skills taught in an inclusive environment will be our focus as we pre-
pare to enter Kindergarten.

We use Creative Curriculum for Preschool and are completing our
first four-week unit, The Tree Study: Investigation #1—Characteristics of
trees, Investigation #2—Who lives in trees?, Investigation #3—What food
comes from trees?, Investigation #4—How do trees change? The study builds
upon children’s interest in trees, exploring science, and social studies. Dur-
ing the study students use skills in literacy, math, technology, and the arts to
represent their knowledge about trees. We took a wonderful field trip to
Lauritzen Gardens to experience trees and the changes they go through in
Fall.

We also completed a Fire Safety & Prevention Unit that coincided
with National Fire Safety Week. We learned about: two safe ways to escape
develop and fire escape plans with our families, Stop! Drop! Roll!, Community Help-
ers, Calling 911, Firefighters and Their Equipment, and the Science of Fire.
We finished our study with a field trip to the Omaha Fire Department’s Sta-
tion 43 where we were treated to an amazing learning adventure.

It’s a great day to be in Pre-K! GO BEAVERS!

APPROPRIATE ATTIRE:
The weather is changing, bringing with it the need
for warmer coats, hats and gloves. Students will
continue to go outside for recess as long as the
weather permits. Be sure they are prepared for the
outdoor temperatures during recess, and before
and after school!

Thank you

Warm Heart Wednesdays!

Student: LaNysha Kincaid
Nominated by: Mrs. Bross 10/05/17

LaNysha visited the Health office on a very busy day, and had to wait for care. Not only did she wait patiently, but she noticed a kindergarten student looking at a book, and LaNysha offered to read the story to the student. Then, she read the story again—this time pointing to each word and making beginning, middle and ending sounds (with emphasis) so that the kindergarten student could learn to read the words. LaNysha’s caring ways showed real heart when she used her hands and words for caring!

The Omaha Public School’s Student Assignment Plan for elementary and middle school students called the Partner Plan (grades K-8) consists of eight (8) elementary partner zones and four (4) middle school partner zones within the district. Your residential address and corresponding neighborhood school determine your partner zone. A student’s residence and distance to school determines transportation eligibility. If you have had a change of address, please contact your child’s school immediately as this could impact your Partner Zone and transportation eligibility.
