Classroom Spotlight
Ms. West, 5th Grade, PO2

The fifth graders in portable 2 are off to a great start this year! It has been an enjoyable year in Ms. West’s fifth grade class thus far. We are almost through the 1st quarter and are making steady progress. The fifth graders have just completed their MAP testing in reading, math, and science. In reading, our focus has been on story structure and identifying characters’ motives in the stories each week and identifying theme. In math, we are diving into decimals and staying afloat. As scientists, we are reviewing the scientific method and working on experiments. In social studies, we started at the very beginning of the history of our great nation. Our writing community is full of fantastic writers. We are off and running to a superb school year and it is just the beginning!

Thursday, November 9th, 1:00 p.m. —8:00 p.m.
If you have not scheduled a conference at Open House, please contact your child’s teacher.

EARLY CHECK OUT OF STUDENTS
Dear Parents and Guardians,
On an occasion when your student needs to leave school early, (i.e., doctor appointment or special event) please make arrangements to check your child out before 3:40 p.m.
In order to protect instructional time, students will not be called out of class to wait at the office for parents or guardians prior to your arrival in the building. Please allow yourself ample time for picking your student(s) up at school and arriving at your destination on time.
Thank you!

SCHOOL CHOICE FOR THE 2018-19 SCHOOL YEAR

The Omaha Public School’s Student Assignment Plan for elementary and middle school students called the Partner Plan (grades K-8) consists of eight (8) elementary partner zones and four (4) middle school partner zones within the district. Your residential address and corresponding neighborhood school determine your partner zone. A student’s residence and distance to school determines transportation eligibility. If you have had a change of address, please contact your child’s school immediately as this could impact your Partner Zone and transportation eligibility.

*King Science es una escuela magnet del distrito y es por lo tanto una escuela de colaboración en cada zona; sin embargo los estudiantes que vive en el vecindario de King Science están en la zona 2 de colaboración y solo son elegibles para el transporte a las escuelas de esa zona.
*Beveridge es una escuela de colaboración compartida en las zonas 3 & 4; sin embargo, los estudiantes que viven en el vecindario de Beveridge están en colaboración con la zona 3 y son elegibles para el transporte a las escuelas de esa zona.

Enero, 2018, comienza el proceso anual de selección de escuela para el año escolar 2018-19. Los estudiantes inscritos en un grado de transición (último grado de la escuela actual), recibirá la solicitud para selección de escuela. Los estudiantes que no recibirán el transporte dado al plan de colaboración recibirán una solicitud de selección de escuela.

Visite: sap.ops.org para determinar su Zona de Colaboración y la elegibilidad del transporte.
