CLASSROOM SPOTLIGHT:
Miss Porath ~ 3th Grade

In Science we just finished a seed experiment to identify pumpkin, pistachio, and sunflower seeds using observations skills. The students really enjoyed tasting their experiment afterward, and there was an overwhelming amount of students who liked the pumpkin seeds.

Third grade has recently finished a Social Studies research project on places in Omaha. We partnered with Mrs. Cologne, the librarian, to help us with researching online, avoiding plagiarism, and creating a PowerPoint on Omaha landmarks.

We are looking forward to achieving our goals in MAP’s (Measure of Academic Progress) and NSCAS (Nebraska Student Centered Assessment System). We have been tracking them all year and cannot wait to show our progress in all subject areas. Wish us good luck!!
