CLASSROOM SPOTLIGHT:
Miss Hoskinson, 1st grade

Hello from the 1st graders in room 11. We cannot believe that third quarter is already half way over, but as they say, “Time flies when you’re having fun!” In math, we are working on comparing two-digit numbers to determine which number is greater than and less than. The first graders have been exploring nonfiction text and nonfiction writing. We are learning how to ask good questions during an interview too. Each of us enjoy reading a new book each day. We are becoming such good readers. We are so excited for all that we will learn the rest of the school year! Overall, 2019 is off to a wonderful start!

Notice!

If you would like to request a specific teacher for your student (s) next year, please send an email to Mrs. Larsen no later than March 31, 2019.

Warm Heart Wednesdays!

Student: JayMyll Bass

Nominated by: Miss West 2/6/19

A few weeks ago, our class earned an all class party. The students were able to bring a snack and a drink. The same day of our all class party, we welcomed a new student in our class. Knowing that the student would not have known to bring a snack or drink, JayMyll brought enough snacks and an extra drink to share with the new student. JayMyll had not even met our new friend yet, but JayMyll wanted him to feel welcomed in our classroom. Thanks so much JayMyll for providing an excellent example of what it means to use our hands and words for helping!
