CLASSROOM SPOTLIGHT:

Mrs. Kucera ~Pre-K

Greetings from Pre-K!

We are entering our 7th week of school. Our room is a wonderful place of inclusion and diversity! We use an early childhood curriculum that promotes development and learning, fosters children's social competence, supports children's learning through play, creates rich environments for learning, and forges strong home-school connections.

We have successfully completed our Beginning of the Year & Imagination Study. We have been building our classroom family, structures, routines, and learning how to read a book and retell a story. We read eight versions of Goldilocks and the Three Bears—wow! As we read through the books, we did text to text comparisons, we noticed what was similar and different. We thought of our own endings to the stories and made charts of all the ways we can retell a story in our own words using writing, words, drawings, pictures, props, puppets, and plays. We love to read!

We are moving into our next Study Investigation—TREES. We started out the study by completing a KWL chart of what we know, and what we want to learn about trees. Our Early Childhood program is a language, project and play based program. We will dive into four weeks of integrating all curriculum areas into the Tree Study. This includes literacy, language, math, science, social studies, and art. We love to learn and it's always a great day to be in Pre-K!

Warm Heart Wednesdays!

Student: Simon Thang

Nominated by: Miss Bluel 9/24/19

Simon is a wonderful role model. He is always willing to help others whenever they ask. He gives his attention right away, when asked to give a teacher 5. Simon is always following the five B's even when others are not . He will help clean up even if he didn't make the mess!

PARENT/TEACHER CONFERENCES

Wednesday, October 23, 4:30 p.m.—8:00 p.m.

Thursday, October 24, 1:00 p.m. —8:00 p.m.

If you have not scheduled a conference at Open House, please contact your child's teacher.

EARLY CHECK OUT OF STUDENTS/DISMISSAL CHANGES

Dear Parents and Guardians,

On an occasion when your student needs to leave school early, (i.e., doctor appointment or special event) please make arrangements to check your child out before 3:40 p.m.

In order to protect instructional time, students will not be called out of class to wait at the office for parents or guardians prior to your arrival in the building. Please allow yourself ample time for picking your student (s) up at school and arriving at your destination on time.

Dismissal changes for your student should be called into the office prior to 3:00 p.m.

Thank you!

Together
MAY WE GIVE
OUR children
