CLASSROOM SPOTLIGHT:
MISS HANSON, 2ND GRADE

2nd Grade in Miss Hanson's room is off to a great start! The 5 B's at Boyd are Be Respectful, Be Responsible, Be Safe, Be Cooperative and Be Honest. In 2nd grade, teaching responsibility is a big focus. Procedures and Routines for daily responsibilities have been modeled and practiced regularly. The students are growing and gaining more independence every day!

In Science, we are learning about living things. The students have really enjoyed comparing and contrasting different animal habitats. We have been reading various different nonfiction books in reading groups that allow us to discover even more about animals. We are learning about their characteristics, adaptations, and the homes they create. Students are encouraged to ask questions and research with books from the library and at home. Their motivation and excitement about the topic is great to see!

Warm Heart Wednesdays!
Student: Rylee Chevalier
Nominated by: Miss Miranda 10/02/18
Rylee is a great friend to everyone she meets. She is always helping her classmates, and she will always comfort a friend who is sad or hurt. Rylee is a caring helper!
A WORD FROM THE CDC
(Centers for Disease Control and Prevention):

This flu season, protect yourself and your family. Everyone in your family who is 6 months of age and older should get vaccinated for the best protection against flu.

Each year, millions of children get sick, thousands are hospitalized, and some die from flu. Last flu season a record high number of seasonal flu-related deaths in children were reported to CDC. About 80% of flu-associated deaths in children occur in kids who have not been fully vaccinated against flu.

Flu vaccination has been shown to significantly reduce a child’s risk of dying from flu. CDC recommends everyone 6 months and older get an annual flu vaccine. This season, any licensed, age-appropriate flu vaccine is recommended. The nasal spray flu vaccine is an option for children ages 2 years and older this season. Ask your health care professional what vaccine is right for your child.

You have the power to protect your family against flu this season. Get yourself and your family a flu vaccine ~ fight flu!

Mrs. Bross, RN
Boyd school nurse

PARENT/TEACHER CONFERENCES

Wednesday, October 24, 4:45 p.m.—8:00 p.m.
Thursday, October 25, 1:00 p.m. —8:00 p.m.

If you have not scheduled a conference at Open House, please contact your child's teacher.
Fall Festival
Boyd Elementary

Wednesday, October 24, 2018
Starts @ 1:15 p.m.
Parade @ 3:35 p.m.

A fun filled afternoon of fall themed lessons including crafts, snacks, story time, singing, dancing, the monster mash and marching in a parade inside the building!

If students would like to wear costumes, please make sure that they are school appropriate. Costumes cannot be scary, have blood, or be gory. There will be time before the festival to change into costumes. Students are not to wear costumes to school.
